UNIVERSITY PUBLICATIONS

**Academic Catalog**
The Academic Catalog is the all-encompassing reference on LAU. This annual publication — printed at the end of every summer — includes information on the university’s historical background, campuses, academic calendar, schools, academic programs, degrees offered, majors, courses, admission, rules, procedures, facilities, listings and credentials of full-time faculty, administrative officers, tuition, and more.

**LAU Magazine & Alumni Bulletin**
The LAU Magazine & Alumni Bulletin is a quarterly publication with news about developments, people and events of significance to LAU and its extended community.

**President’s Report**
The President’s Report is an annual progress report on all aspects of the university’s development.

**Fact Book**
The LAU Fact Book contains data on the university’s student enrollment and admissions (compiled as of the official census date), as well as its administration, faculty and staff, alumni, finances, physical facilities, and other academic and student-related matters. Launched in 2009, it aims to provide information on important institutional measures in support of decision making.

**LAU at a Glance**
LAU at a Glance provides a brief institutional profile of LAU, including annual facts and figures about our campuses, facilities, students, faculty and programs of study.
