About the Institution

Control: Private, not-for-profit, independent

Type: Coeducational

Academic Calendar: A fall and spring semester in addition to one summer session

Degrees offered: Bachelor's, Master's, Post-bachelor's Certificate, Post Graduate Diploma and Doctoral Degree-Professional Practice.

Schools: School of Architecture and Design, School of Arts and Sciences, Adnan Kassar School of Business, School of Engineering, Gilbert & Rose-Marie Chagoury School of Medicine, Alice Ramez Chagoury School of Nursing and School of Pharmacy.

Degree programs: Academic offerings include 62 degree programs: 36 bachelor's degree programs, 21 master's degree programs, 2 professional degree programs, 1 graduate diploma and 2 post-bachelor's certificates.

Mission: Lebanese American University is committed to academic excellence, student centeredness, civic engagement, the advancement of scholarship, the education of the whole person, and the formation of leaders in a diverse world.

Charter: LAU is chartered by the Board of Regents of the University of the State of New York. The University of the State of New York is the sole entity authorized by the State of New York to incorporate higher education institutions and authorize them to confer degrees.

Recognition: Degrees awarded by the Lebanese American University are officially registered with the Ministry of Higher Education in Lebanon and with the Board of Education in the State of New York.

Institutional Accreditation

LAU is accredited by the **New England Commission of Higher Education (NECHE)**, formerly the Commission on Institutions of Higher Education of the New England Association of Schools and Colleges, Inc.

Program Accreditation

1. School of Architecture and Design

Bachelor of Architecture

The Bachelor of Architecture program has been granted initial accreditation as of 2019, by the National Architectural Accrediting Board (NAAB), which accredits architecture programs in the United States. The program is the first in Lebanon and the third outside the United States to receive NAAB accreditation: <https://www.naab.org/>.

In addition to being recognized by the Ministry of Education in Lebanon, the Bachelor of Architecture is officially recognized by the Ministry of Culture in France.

Bachelor of Design Programs

The School of Architecture & Design at LAU earned the National Association of Schools of Art & Design (NASAD) Accreditation in 2020. The NASAD accreditation covers the BA in Fine Arts, the BFA in Interior Design, the BFA in Graphic Design and the BFA in Fashion Design and the Master in Islamic Art.

For more information on NASAD: <https://nasad.arts-accredit.org/> .

2. School of Arts and Sciences

Bachelor of Science in Computer Science

LAU's B.S. in Computer Science program is accredited by the Computing Accreditation Commission of ABET, <https://www.abet.org>.

Bachelor of Science in Nutrition and Dietetics Coordinated Program (CP)

The BS in Nutrition and Dietetics Coordinated Program (CP) at the School of Arts and Sciences has been granted candidacy for accreditation by the Accreditation Council for Education in Nutrition and Dietetics (ACEND), the accrediting agency for the Academy of Nutrition and Dietetics (AND) in the US. As the first step in a four-year accrediting process, the candidacy by ACEND grants current and future students the same rights of a fully accredited program.

Out of only seven international programs with ACEND accreditation, the CP in the Department of Natural Sciences is the second dietetics education program to offer students the opportunity to sit for the Commission on Dietetic Registration (CDR) examination to become Registered Dietitian Nutritionist (RDN) upon program completion.

3. Adnan Kassar School of Business

The Adnan Kassar School of Business (AKSOB) at the Lebanese American University (LAU) is accredited by the Association to Advance Collegiate Schools of Business (AACSB) International. In addition, AKSOB's Hospitality and Tourism Program is accredited by the Accreditation Commission for Programs in Hospitality Administration (ACPHA).

AKSOB's portfolio includes three undergraduate degree programs: Bachelor of Science in Business, Bachelor of Science in Economics, and BS in Business Emphasis Hospitality and Tourism Management; and four minor programs: Minor in Business, Minor in Data Analytics, Minor in Economics, and Minor in Hospitality and Tourism Management ; in addition to seven graduate programs: Master of Business Administration (MBA), MBA in Business Analytics (online), Executive MBA, MBA in Global Business Administration (online), Master of Arts in Applied Economics, Master of Laws and Master of Science in Human Resources Management

4. School of Engineering

Bachelor of Engineering Programs

- The B.E. in Civil Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>
- The B.E. in Computer Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>
- The B.E. in Electrical Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>
- The B.E. in Industrial Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>
- The B.E. in Mechanical Engineering is accredited by the Engineering Accreditation Commission of ABET, <http://www.abet.org>

In addition, the B.E. in Civil Engineering, B.E. in Computer Engineering, B.E. in Electrical Engineering, B.E. in Industrial Engineering and B.E. in Mechanical Engineering are accredited by the Federation of Arab Engineers.

5. Gilbert and Rose-Marie Chagoury School of Medicine

Doctor of Medicine

The MD program has received on September 1, 2021 a two-year provisional accreditation from the Turkish Association for Evaluation and Accreditation of Medical Education Programs (TEPDAD), a World Federation for Medical Education (WFME)-recognized accreditation agency. The provisional accreditation allows LAU MD students and graduates to apply for an Educational Commission for Foreign Medical Graduates (ECFMG) certification, and

is equivalent to a full accreditation in terms of opportunities provided. TEPDAD introduced the provisional status due to COVID-19-related restrictions and the absence of on-site visits required to determine full status.

6. Alice Ramez Chagoury School of Nursing

Bachelor of Science in Nursing

“The Bachelor of Science in Nursing at the Lebanese American University- Alice Ramez Chagoury School of Nursing is accredited by the Commission on Collegiate Nursing Education, 655 K Street, NW, Suite 750, Washington, DC 20001, (202)-887-6791.”

7. School of Pharmacy

Doctor of Pharmacy

The School of Pharmacy is a full member of the American Association of Colleges of Pharmacy (AACP). Currently, the Doctor of Pharmacy program at LAU is the only one outside the United States of America that is accredited by the Accreditation Council for Pharmacy Education (ACPE). Pharm.D. graduates are eligible for licensure as pharmacists in U.S. state boards of pharmacy.

Schools and Academic Programs - Fall 2022

1. School of Architecture & Design

The School of Architecture and Design is committed to high educational standards, offering programs within an open, creative, and multidisciplinary studio culture.

Taught by faculty drawn from a large pool of local talent as well as visiting professors, students acquire the breadth of knowledge and the skills necessary to tackle various artistic and design problems.

Programs Offered:

Bachelor of Architecture (176 credits)

BFA in Fashion design (128 credits)

BA in Fine Arts (92 credits)

BFA in Graphic Design (110 credits)

BFA in Interior Design (120 credits)

MA in Islamic Art (30 credits)

2. School of Arts & Sciences

The School of Arts and Sciences, LAU's oldest academic unit, embodies the university's liberal arts tradition. Renowned for its broad range of well-established programs, the school takes pride in its mandate to cultivate students' critical thinking and communication skills.

Programs Offered:

BA in Arabic Language & Literature (92 credits)

BA in Performing Arts (92 credits)

BA in Communication (92 credits)

BA in Education (92 credits)

BA in English (92 credits)

BA in History (92 credits)

BA in Multimedia Journalism (92 credits)
BA in Philosophy (92 credits)
BA in Political Science/International Affairs (92 credits)
BA in Psychology (92 credits)
BA in Television & Film (92 credits)
BA in Translation (92 credits)
BS in Bioinformatics (100 credits)
BS in Biology (96 credits)
BS in Chemistry (94 credits)
BS in Computer Science (92 credits)
BS in Mathematics (92 credits)
BS in Nutrition and Dietetics (96 credits) *

The BS in Nutrition and Dietetics does not lead to New York State certification. Dietitians and nutritionists do not have the authority to independently engage in the ordering of medical nutrition therapy in New York State.

BS in Nutrition & Dietetics Coordinated Program (123 credits)*

The BS in Nutrition & Dietetics - Coordinated Program does not lead to New York State certification. Dietitians and nutritionists do not have the authority to independently engage in the ordering of medical nutrition therapy in New York State.

MA in Education (30 credits)
MA in Interdisciplinary Gender Studies (30 credits)
MA in International Affairs (30 credits)
MA in Migration Studies (30 credits)
MS in Applied & Computational Mathematics (30 credits)
MS in Biological Sciences (30 credits)
MS in Computer Science (30 credits)
Online MS in Computer Science (30 credits)
Teaching Diploma in Education (21 credits)
Diploma in Learning Disability & Giftedness (21 credits)

3. Adnan Kassar School of Business

As one of the oldest autonomous American-style business schools in the Middle East, the Adnan Kassar School of Business (AKSOB) is committed to excellence in teaching, scholarly and applied research, and professional service. AKSOB is among the 5 percent of business schools worldwide to be accredited by the Association to Advance Collegiate Schools of Business (AACSB).

The school's undergraduate and graduate programs prepare students for the evolving world of business, enabling them to use the appropriate learning, technology and decision-making tools to understand the global impact of economic conditions and cultural dimensions.

Program Offered:

BS in Business (92 credits)
BS in Economics (92 credits)
BS in Business Emphasis Hospitality & Tourism Management (92 credits)
Executive Master of Business Administration (EMBA) (36 credits)
LLM Master of Laws (30 credits)
MA in Applied Economics (30 credits)
MSc in Human Resources Management (30 credits)
Master of Business Administration (MBA) (39 credits)
Online Global MBA (33 credits)
MBA in Business Analytics (Online) (33 credits)

4. School of Engineering

The School of Engineering combines rigorous academics with a dynamic solid foundation that equips talented engineers for success in their professional and civic lives.

The school offers a range of leading-edge courses and houses a host of state-of-the-art research laboratories. The integrated style of learning and teaching through laboratory classes, project work, and industry-sponsored fieldwork enables students to become more independent and to think critically.

Program Offered:

BE in Civil Engineering (150 credits)
BE in Computer Engineering (150 credits)
BE in Electrical Engineering (150 credits)
BE in Industrial Engineering (150 credits)
BE in Mechanical Engineering (150 credits)
BE in Mechatronics Engineering (150 credits)
BE in Petroleum Engineering (150 credits)
MS in Civil & Environmental Engineering (30 credits)
MS in Computer Engineering (30 credits)
MS in Industrial Engineering & Engineering Management (30 credits)
MS in Mechanical Engineering (30 credits)
Professional Online Joint Diploma in Green Technologies

5. Gilbert and Rose-Marie Chagoury School of Medicine

Conceived and designed in collaboration with Harvard Medical International, the Gilbert and Rose-Marie Chagoury School of Medicine offers a multidisciplinary American-model curriculum that fosters critical thinking, promotes lifelong learning, and employs new pedagogical evaluation and assessment tools.

The school prepares students for the challenges of real-world situations through its many resources, including the school's cutting-edge Clinical Simulation Center and its clinical and basic sciences research lab.

Furthermore, students can gain training and earn scholarships through the school's local and international affiliations in research and clinical medicine.

The school's main clinical training center is the LAU Medical Center-Rizk Hospital and the LAU Medical Center-St John's Hospital (planned for summer 2020). LAU's medical students also train with a number of health facilities through affiliation/agreement arrangements.

Degrees Offered:

Doctor of Medicine*

Pending completion of registration formalities with the New York State Education Department

6. Alice Ramez Chagoury School of Nursing

The Alice Ramez Chagoury School of Nursing's comprehensive curriculum emphasizes professional nursing standards, patient-centered care, and ethical practice. Built on a liberal arts foundation, the curriculum complements nursing science with knowledge from the biomedical and social sciences, thereby allowing graduates to pursue licensure as registered nurses in Lebanon and around the world.

Demonstrating the school's excellence, the majority of nursing students are hired immediately upon graduation in top hospitals and NGOs across Lebanon, while others go on to pursue their graduate studies in high-ranking universities in Lebanon and abroad.

Degrees Offered:

BS in Nursing (103 credits)

7. School of Pharmacy

The School of Pharmacy offers unique educational programs that emphasize biomedical, pharmaceutical, social, behavioral, administrative and clinical sciences, as well as soft skills and service learning, all of which are essential to better serve patients and the community. Over the past five years, pharmacy graduates have maintained an average pass rate of 91 percent on the North American Pharmacy Licensing Exam (NAPLEX®) and 100 percent on the Lebanese National Competency Assessment Examination (Colloquium). Graduates are well-placed to pursue graduate studies, postgraduate residencies, or work in diverse fields such as community and hospital pharmacies, clinical settings, pharmaceutical sales, pharmaceutical industry, and academia.

Degrees Offered:

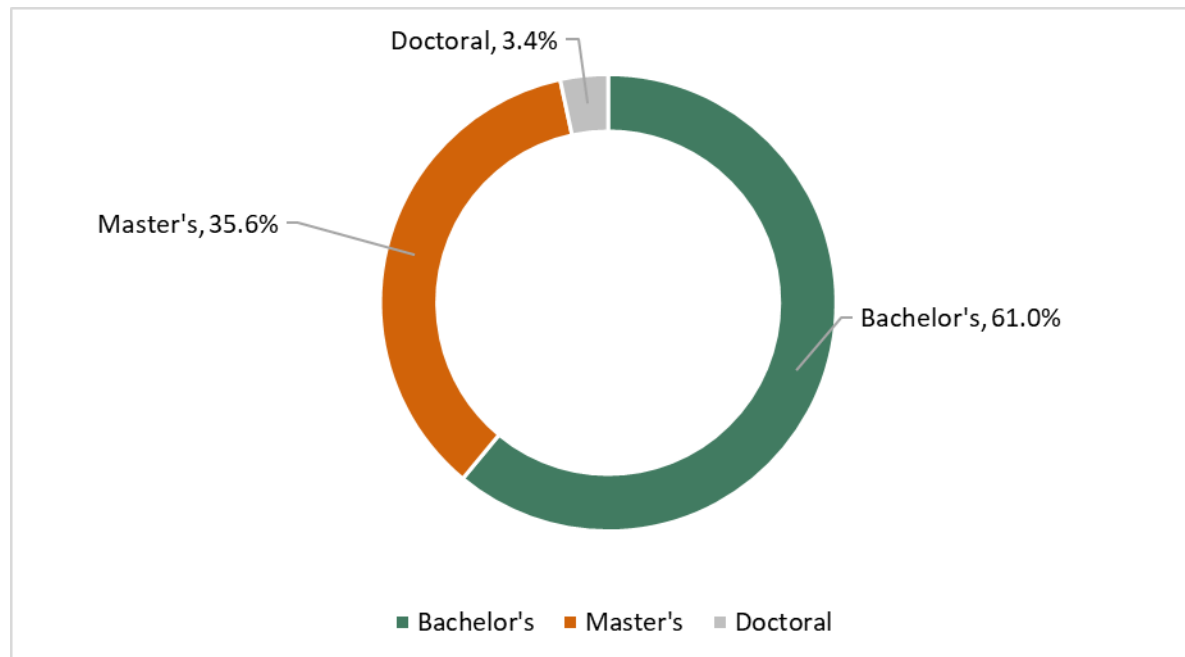

BS in Pharmacy (174 credits)

MS in Pharmaceutical Development & Management (36 credits)

Doctor of Pharmacy (201 credits)
